## II. OTHER ACTIVITIES.

### A. Office of the Chief.

Representatives of the Staff attended the American Psychological Association Meetings in Chicago. Considerable effort was devoted to recruiting. There seems little question but that psychologists should be placed on the list of scientists in short supply. It was ascertained from the Placement Office at the American Psychological Association Meetings that there were four jobs for every psychologist applying. Government recruiters found themselves in disadvantageous positions from the standpoint of the salary they could offer.

### B. Assessment Branch.

1. [ ] attended a meeting of the CIA Selection Panel on 6 September 1956.

2. [ ] attended a briefing on the organization and functions of FI/RI on 6 September 1956.

3. [ ] conferred with [ ] Personnel Officer, FI Staff, concerning development of routine procedures for utilizing A & E test results.

### C. Training Evaluation Branch.

1. [ ] met with [ ] to review the first presentation of the Information Reporting, Reports, and Requirements Course from the evaluation point of view.

2. Mr. William Miller continued to work with [ ] in developing an evaluation program for the [ ] Management Course at [ ]. On 6 September, AF/OS and Chief, Training Evaluation Branch, reviewed some of the managerial difficulties which still remain from the tripartite arrangements on which the course is based.

3. While attending the American Psychological Association Meetings in Chicago, [ ] enjoyed an unusual opportunity to meet a group of [ ] students, gaining considerable background for the test development activities involved in his pending assignment.
